2 October 1986

MEMORANDUM FOR: Deputy Director for Administration
FROM: [REDACTED] Director of Security
SUBJECT: Office of Security Significant Activities
Week of 25 September - 1 October 1986

25X1

1. This memorandum is for information only.
2. The activities of the Office of Security (OS) during the week of 25 September - 1 October were highlighted by the following items:

[REDACTED]

25X1

*b. On 29 September, the Chief of OS Clearance Division addressed a group of 50 FBI Agents at the FBI Academy in Quantico, Va. The briefing concerned CIA personnel security procedures with emphasis on the adjudication process and utilization of the polygraph. The briefing was well received by the attendees representing FBI Field Offices throughout the U.S. and was followed by an extensive question and answer session.

*c. On 25 September, the Security Officers Training Program #29 commenced with [REDACTED] security officers in attendance. The training program, which consists of four separate modules, will conclude on 25 November.

25X1

[REDACTED]

25X1

S E C R E T

S E C R E T

*d. The OS Tempest Division is coordinating a multi-agency effort to repackage the Honeywell Video Synchronizer to be utilized in specialized TEMPEST testing. The Navy, Army, Air Force, DOS, NSA, and FBI have all expressed an interest in participating in this program. To date, all but the FBI have made verbal commitments to back their interest with funding. The Navy is transferring \$178K of multi-year funds to the CIA. The individual synchronizer units are expected to cost less than \$10K each.

*e. On 24 September, OS representatives met with General Electric security officials and OD&E officers and conducted a briefing on the Industrial Reinvestigation Program. The briefing focused on procedures and guidelines for the program which will begin in FY 87.

f. The Office of Security and OIT commenced an intensive four-month study of ADP operations within OS. This contractor-supported task force will probe into all aspects of OS's personnel security ADP operations and will make recommendations to enhance automation efforts in the security clearance process.

g. As part of the ongoing Current Security Issues briefing program, a TSCM briefing was given to the DDO Evaluation and Plans Staff; and a polygraph briefing was given to senior OD&E managers.

FROM:

Deputy Chief, Security Support Division

SUBJECT:

Weekly Log

5. During this reporting period, SSD personnel have not had any contact with individuals from Capitol Hill.

CONFIDENTIAL

CONFIDENTIAL

On 24 September 1986, Clearance Division representatives met with General Electric Security officials and OD&E officers and briefed them regarding the soon to be initiated Industrial Reinvestigation Program. The briefing focused on procedures and guidelines for the new program. Discussion of the reinvestigation activity represented only one aspect of a lengthy conference being hosted by OD&E/Security Staff for General Electric.
